At Bristol Village, we set the standards for maximizing the quality of life and dignity of older adults. We support life enhancement, personal empowerment and aging with choice.

Our residence embraces each resident with the opportunity to find happiness, create friendships and develop satisfaction in their daily lives. At Bristol Village, we consider each resident an individual, and provide an environment that supports her personal history and interests. Our activities and volunteer programs are designed to enhance the quality of life and allow each resident the opportunity to grow physically, socially, educationally, and spiritually.

No matter where an individual is in their life journey, each has the right to enjoy life and meaningful experiences. It is our hope that, through activities and volunteers, we can make a difference for older adults. Thank you for your time and commitment to the men and women of Bristol Village.

A BRIEF HISTORY OF OUR RESIDENCES

Bristol Home has served the needs of the area's elderly women for more than 147 years. *The Bristol Home was established in 1868, and began as the "Home for the Friendless."* It continues to serve 54 elderly women in Buffalo, NY, as an Assisted Living Residence. *Bristol Village, Bristol Home's sister location was established in 2003, and serves both men and women. Our elders have the option to live in Assisted Living or our secure Memory Care unit, for those with memory loss issues and in need of extra care. The rooms at both facilities are private. Most of Bristol Home's rooms have shared private bath and toilet accommodations, while most Bristol Village rooms are equipped with full bathroom/kitchenette/living room and bedroom amenities.*

Volunteer Opportunities at The Bristol Homes

Special Interest Projects/Opportunities

Volunteers who have a specialized skill or who are educated in specific areas will make an especially important contribution to the Bristol Homes. We encourage volunteers to extend a special interest of theirs into their service:

- We are currently looking for individuals who are interested in gardening and yard work to assist in the upkeep of our grounds. Raking, weeding, trimming and picking up litter are helpful as well as assistance with planting in the spring. Also, there is a porch on the second floor that needs some TLC. A small group of volunteers may be interested in working together to beautify these areas. Those with knowledge of plants and gardening are especially desired.
- Individuals who have an interest in healthcare may be able to extend their knowledge into service at the Bristol Homes. Volunteers who have interest in senior health and wellness issues can service our residents through educational programs. These may include health information sessions and preventative education. Individuals who have experience in a health care setting may also assist in exercise classes and motivation.
- Those with special skills in a specific area will be able to present their talent to the residents at Bristol Homes in many ways. Individuals with musical talents may lead a sing along or volunteer to play their instruments for the enjoyment of the residents. Those with knowledge of knitting, crochet, or quilting may start a group or a class. Volunteers who are educated in art, history, poetry, etc. may lead discussion groups or lecture.
- The Bristol Homes is currently seeking a volunteer handyman, to help the ladies of the home with minor maintenance, general repairs and upkeep of their historic home. The handyman volunteer will work under the general guidance and direction of the home's maintenance team to tackle repairs that align with your skills and interests. These odd jobs may seem minor to you, but they make a major difference to the ladies of the home. The specific skills of a volunteer handyman can be a real asset to our team.
